Tea tasting experience

Taste a glass of the best chosen by experts in Japanese tea!

Tea tasting

Guess where it was grown!

You can experience authentic tea tasting in an atmosphere like that of the All-Japan Tea Judging Technique Tournament, which is known as the Olympics of tea. Drink three cups of tea from different growing areas, and try guessing where they were grown.

Savor the tea

Trust your intuition and answer! Japanese tea judge Ms. Tamura will give an explanation tailored to your answer. You will encounter the true meaning of Japanese tea, which is a deep topic.

Matcha beer

Adding matcha to beer

A tea drinking experience of the sort only possible at a tea cafe. Matcha beer colored a deep green becomes a profoundly flavorful drink with the addition of the sweetness and umami of tea. Recommended to people who normally don't like beer.

Note: If you don't drink alcohol, we'll prepare a different matcha beverage for you, so let us know when you sign up.

Afternoon tea

Afternoon tea with matcha. Post-meal roasted green tea tastes delicious and has a calming flavor. Why not try drinking truly satisfying tea for once?
